**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a lifelong resident of rural communities, access to local broadband internet is crucial. I work from home and 90% of my work is done over my local providers service. Please maintain our access to local broadband and fiber. It is crucial for the economic stability of my community and many like it.
